Please let us know when a Scottish Society member moves or passes away. It is easy to lose track of our friends in today's busy world. Their family may not contact the Society and we don't always know why they did not renew. For life members, we may not know until mail starts coming back many months or even years later.

Looking for a unique gift? Membership is half price for the rest of September. scottishsociety-sa.org is set up for both credit card and PayPal payments.

Crann Tara is email only this month. Do you miss seeing it in the mail, or are you happy with the online version?

We will return and you can help. We expect both COVID-19 and flu to peak around January. If today seems bad, "hold my beer." Let's do what we could have done last January. Avoid crowds. Wear a mask in public and try to stay six feet away. Avoid businesses that do not take masks seriously. Avoid the genius who covers their chin and leaves their nose uncovered. Remove masks long enough to eat and put them back on before leaving the table. Wash your hands, don't touch your face, and cover your face with the crook of your elbow (NOT your hand) to sneeze or cough. Stay home if you or anyone else in your household has a fever. **Haste ye back!**
